Now to send it off, pick your situation

**If you use a desktop e-mail application,** like Outlook, (Express), Eudora, Thunderbird, Netscape,  
1. Press the "Submit by Mail" button and you will get a popup box.  
2. Press the top radio button and "OK" and then press the 'Send Data File' button and a composed e-mail will appear. Send it off. Done.

Now that you have chosen a method:

**If you have a web-based server like Yahoo, MSN, Hotmail or Netzero,**  
or don't know if you do, there is an extra step to submitting the form.  
1. Press the "Submit by E-mail" button and you will get a popup box.  
2. Choose the 2nd radio button and "OK"  
3. This gives you an easy way to save "CouncilApplication\_data.xml" in a directory you can find again easily.  
4. Go to your e-mail application, and start a new e-mail. Follow the instructions for pasting address and subject. Attach your "CouncilApplication\_data.xml" file. Send the e-mail. Done
